

Congratulations to the Graduating Class of 2024!!

Graduation
Saturday, May 11th
3:00 pm

*From the
Superintendent's Desk*

“Change is the law of life. And those who look only to the past or present are certain to miss the future.” - John F. Kennedy

The above quote has always stuck with me. As an educator, I have worked to embrace change as it comes. Throughout my career, I have seen changes in technology, teaching styles and different generations of students. Each has presented me with its own unique challenges and opportunities for me to grow. Change can be difficult, but change can also bring opportunities.

On April 8, both boards of education for Friend and Exeter-Milligan voted 6-0 in favor of petitioning the Nebraska Department of Education to begin the process of consolidation. Our new consolidated school district will begin July 1, 2025. In the case of both boards, they chose to look at the opportunities that lie ahead with creating a new district. A chance to expand curricular offerings. A chance to create partnerships with local businesses and organizations. A chance to become more than we currently are and BETTER TOGETHER.

For the school boards and administration, our focus now moves to looking at both districts and what the overall vision of the district should be for the 2025-26 school year. This will take time and be a slow and all-consuming process for leadership. Some decisions will be easy, while others will take thought, reflection and much planning.

While there is still much work to be done, this is a moment that may create different feelings as we move forward. Feelings could fluctuate as we think about the past and the future. During the 2024-25 school year, we will take time to focus on both.

In the first semester, our goal at FPS is to celebrate and remember the past. During this time, we will focus on FPS, its history and celebrate being the Friend Bulldogs. The past deserves our attention and respect as we would not be here without the faculty, administration and students who came before us. Honoring the past is our first step to focusing on the future.

In the second semester, we will switch our focus to the future. We will look ahead to our full transition to the EMF Bobcats and plans for the future. Within this future, we will take a look at the traditions that were enjoyed by each district. Some traditions will continue under the new district. Other traditions will not be continued. This is a part of growth and change.

My goal and hope is that many years from now, we will look back at this time with a sense of nostalgia and goodwill as three separate towns came together to create more for our students. That has been the focus throughout this entire process—through all of the meetings, discussions, collaborative efforts and more. What is best for our students? In the end, it is my wish that this continues to push us long past this point of history as a consolidated district.

There is much to do! And I, for one, can't wait to see what the future holds.

Go For The Gold Every Day!!

Happy Spring!!!! We have a lot of fun and exciting things happening at Friend Public School to end our school and celebrate our time together! Please see the schedule below and please make sure you have the correct number/email address hooked into our school's "Blackboard" account where you will get notifications as well. You can also make sure to have the Friend Public School App on your phone for up-to-date information. Thank you to everybody for a wonderful school year!!!

Liz Stutzman- Principal

Friend Public School

Stutzman's Side Notes

May 14- Jump Up Day for 4-year old Preschool- 6th Grade and field day

May 16- Last day of Preschool

May 17- Last day of school!! 12:30 release

May 25- FHS Alumni Banquet (old gym)

COUNSELOR'S CORNER

Senior Scholarships

- Individual scholarship recipients will be announced at Honors Night on May 7
Congratulations to our seniors whose hard work paid off!
 - Please note that individual scholarship recipients will not be announced during the graduation ceremony (although a list will be available in the graduation program).
- A huge thank you goes out to our local and area benefactors for the many opportunities being given to our seniors! Our students are very blessed to have such generous community members, businesses and organizations.

Looking at Next Year

- Upcoming 7-12 grade students will receive their class schedules for the 2024-2025 school year in early August, along with their back to school information.
- After receiving their schedules, students who wish to drop and/or add classes are welcome to stop by Ms. Hottovy's office between 8:30 a.m. and 3:30 p.m. from August 5-8.

Community Service

- Businesses, organizations, churches, etc. in the Friend school district are reminded to contact Ms. Amy Hottovy or Mrs. Liz Stutzman with any community service opportunities that might be available for our high school students over the summer. Thank you to all who have already begun partnering with the school!
- Students who will be in grades 9-12 for the 2024-2025 school year are encouraged to earn community service hours this summer. Check out the Google Doc for multiple opportunities.

BOBCAT BASKETBALL CAMP

This summer Sara Pella, Allison & Preston Meints will be holding a basketball mini-camp for all girls interested in learning and developing basketball skills. The camp will run for **two** days for all girls in grades 1 through 8. The schedule for the camp is as follows: (The grades pertain to the grade your child will enter fall 2024).

Grades 1-4 9:00am-11:30am

Grades 5-8 12:30pm-3:00pm

Camp Dates - May 28th & May 29th

The camp will be held in Friend. During the youth camp, we will have EMF high school players helping. The camp will emphasize skill development of the basic fundamentals, teamwork, and enthusiasm for the game of basketball. The camp offers players the opportunity to improve their individual and team skills. There will be a chance to win prizes during camp. Each student will receive a bobcat jersey on the first day of camp so they can wear it the remainder of camp.

Cost of this camp will be \$35.

Permit to Attend

I hereby give my daughter _____ who will enter grade _____ next fall permission to attend the Bobcat Basketball Camp. It is understood that the child is under school supervision but neither the school district nor those in charge will be held responsible in case of an accident.

_____ Parent/Guardian Signature

Please return the form and check to Friend or Exeter-Milligan Public School by May 7th. Cash or make checks payable to EMF Girls Basketball.

Please indicate jersey size: Youth S M L XL
 Adult S M L XL

If you have any questions contact Sara at 641-856-7651 or sara.pella@emwolves.net.

E.M.F BOYS BOBCAT BASKETBALL CAMP

MON. MAY 20- WED. MAY 22
AT FRIEND HIGH SCHOOL
GRADE K-3 9AM-11AM / GRADE 4-7 12PM-3PM
(GRADE COMPLETED '23-'24)

****Please note change in days and times for grade levels this year****

Boys who have completed kindergarten- 7th grade are welcome to join in on the fun! The camp will focus on learning fundamental basketball skills and teamwork. The kids will play games and take part in competitions on the final day of camp. The boys high school basketball coaches and athletes will assist the younger players throughout the week.

**Please return this portion and payment to
the office of FPS or EM by: May 3rd, 2024**

Payable to: FPS Cost: \$40 per player

~The students made tie blankets to take to Children's Hospital in Omaha~

Saline County Government Day 2024

On Wednesday, March 20th the Senior American Government class attended Saline County Government Day in Wilber. This event was sponsored by the American Legion and Legion Auxiliary units from the county. The day started with introductions by Scott Davis, Saline County Veterans Service Officer, and a welcome from 1st District Judge David Borgen. Students were assigned an office in the Saline County Government to start the day. The students spent two hours completing a scavenger hunt that took them to several of the county offices to find answers to questions concerning the various county offices. Lunch was served at the American Legion Hall in Wilber. After lunch, students had an opportunity to hear a National Guard presentation, play the Saline County Jeopardy Quiz game and visit the Saline County Jail.

Those seniors attending included:

Aaliyah Cook, Laura Casper, Jordon Lawver, Jake Leif, Preston Knollenberg and Halona Wootton.

Paul Martin

American Government Instructor

Spring EMF FFA Update

Our FFA chapter has had an extremely busy schedule this spring. While January brought a lot of snow and cold weather, our chapter officer team traveled to UNMC to deliver the gift cards from our gift card drive for children awaiting organ donation. We delivered \$1,620 in gift cards to the med center, and we also got to meet with several children who had undergone organ transplants.

In February, Spencer Eberspacher and Jacob Weber both interviewed for their State FFA Degrees and passed their interviews. They received their awards on stage at the State FFA Convention. Additionally, Spencer interviewed for a STAR award in Placement, which is based on a student's SAE project. While he didn't make it to the State interview round, we are proud of him for applying. Abbie Milton, Will Vyhnaelek and Spencer Eberspacher all received gold district finalists on their SAE proficiency award applications. Zach Spohn received a silver rating at the district level, and Mason Vossler received a gold at the district level.

Also in February, chapter members participated in multiple activities during National FFA Week, including the Drive Your Tractor to School day as well as our annual FFA Pep Rally. To round out February, FFA members competed in District Career Development Events hosted at Centennial High School with the following results:

- Floral Team- 2nd place
- Ag Sales Team- District Champions
- Agriscience Team- District Champions
- Natural Resources Team- 8th place
- Agronomy Team- 8th place
- Vet Science Team- 12th place
- Ag Mech and Tech- 8th place
- Welding Team- 15th place
- Livestock Management- 20th place

The Floral, Ag Sales, Agriscience and a Jr. Livestock Evaluation Team from earlier in the fall qualified and competed at the State FFA Convention. We also had an Ag Issues team that qualified for state that had to do a minimum number of forums to participate.

At the beginning of April, members traveled to Lincoln to compete and participate in the State Career Development Events and State FFA Convention. Members who attended got to compete in their CDE, experience an escape room, bowling and laser tag, convention sessions and a tour of Settje Ag in Raymond, Nebraska. Our members who competed did very well in their respective events. The results from convention are as follows:

- Floral Team- Cheyenne Krupicka, Abbie Milton, Keila Ricenbaw and Ashley Braun- placed 30th out of 58 teams.
- Ag Issues Team- Hunter Svehla, Babe Weber, Zachary Vossler, Caleb Black- placed 5th out of 12 teams.
- Ag Sales Team- Ella Archer, Mikey Bartu, Chase Paulsen, Will Vyhnaelek- placed 3rd out of 36 teams and all individuals were in the top 20.
- Agriscience Team- Cheyenne Krupicka, Truman Milton, Malorie Lawver, Abigail Klooz- placed 16th out of 140 teams
- Jr. Livestock Evaluation- Keltyn Kirchhoff, Cohen Harre, Malorie Lawver and Hunter Svehla- placed 31st out of 58 teams.
- Miley Ricenbaw, Ty Svhelda, Kate Pribyl and Brynnlee Johnson- participated in People in Ag Presentation for Middle School students.

Rounding out this school year, the chapter will be hosting our annual End of the Year Awards Banquet in Exeter on April 19th, plant sales on April 24th-26th and a Petting Zoo for our Elementary on May 10th. This summer we are looking forward to our members participating in their SAE Visits by Mrs. Kohtz and Mrs. Segner plus watching members exhibit their projects at the Fillmore and Saline County Fairs.
