

## November & December 2024 NEWSLETTER

Congratulations to our new Elementary Student Council Members for the 2024-25 school year!

These students were selected based on classroom teacher recommendations. The members are being recognized for their leadership, kindness, work-ethic and all-around positive attitude! They have earned the role of leaders among their peers! The elementary Student Council will be working on various activities and service learning projects throughout the school year. The council is sponsored by Mrs. Eigsti and Mrs. Wiese.

Congratulations to the following students!

*Back Row (L-R):*

## **Every New Beginning Comes From Some Other Beginning's End...**

Hello, Parents and Students,

We have had an exciting last few months at FPS! In Bulldog Buddies, each staff member and student got to decorate a special rock to "Leave their Mark" on our school and each group also created a team name/mascot! Everybody got to show off their creative side!

In education, we feel it's important to "pay it forward" and this month we hosted a class of sophomore Doane University students who are education majors. The students received the PreK-12<sup>th</sup> grade school experience, observed our teachers, had lunch and got to ask many questions! We also hosted an Ag group from UNL so they could tour our school and tour our wonderful

greenhouse!

If you are a Friend Alumni, you might remember the "Paw Press" from back in the day. Our yearbook class and Mrs. Anderson have revived that! It is so much fun to see the kids get excited and be a part of the Paw Press revival and all it has to offer!

The 4<sup>th</sup>-6<sup>th</sup> Grade Student Council students were able to attend the Doane Leadership Day. They learned about including people, working together to solve big and little problems and what effective leaders do.

Liz Stutzman- PreK-12<sup>th</sup> Grade Principal

## COUNSELOR'S CORNER

**7-12 grade students and parents/guardians: please mark your calendars with these important dates as we begin preparing for 2nd semester:**

- December 13 is the deadline for 7-12 grade students who wish to make a second semester schedule change. Teacher, parent and administrative approval is required for all changes.
- Registration for spring SENCAP classes opened October 28 and is also due December 15. Interested 10-12 grade students (*who are in solid academic standing*) should be making appointments NOW to see Ms. Hottovy to discuss options. This is a great way for high school students to earn college credit at a hugely discounted rate! Take a look at this website for more information: [SENCAP](#)

### SCHOLARSHIP NOTES FOR SENIORS

- Ms. Hottovy often sends scholarship opportunities and college/career information to juniors and seniors through school email. Have a conversation with your son/daughter about checking their email often and practicing good communication skills.
- If your business, organization or family would like to begin offering a scholarship to this year's graduating seniors at Friend Public School, please contact Ms. Amy Hottovy at your earliest convenience.
- Current scholarship benefactors who wish to make a change to their application form or process are also encouraged to contact the school counselor as soon as possible. Thank you for your generosity and support!
- Students and parents are able to see an updated list of scholarship opportunities as they become available. Look for the tab called "Scholarship Central / Scholarships 2024-2025" on the school website.
- Seniors have been encouraged to create an account and complete a profile through Education Quest to see the MANY scholarship opportunities that exist. They should check the website weekly!

### COMMUNITY SERVICE REQUIREMENT

- We are always looking for more community service opportunities to add to our list so students can see a variety of experiences from which to choose.
- If you are interested in offering and supervising community service, please contact the school at your earliest convenience (402.947.2781 and ask for Liz Stutzman or Amy Hottovy) to ensure your event is approved BEFORE it is offered to students.

### IMPORTANT TEST DATES

October 30, 2024 - invited Juniors take the PSAT

November 13, 2024 - all Sophomores take the PreACT

- This short assessment predicts student performance on the ACT and offers career-interest information to students, parents, and teachers. It also helps ensure students take the best classes to prepare them for college and their options after high school.

December 4, 2024- all Sophomores take the ASVAB

- This is a free opportunity for students to understand their unique skills and interests, plus identify potentially satisfying careers,

January 2025 - all Juniors take the practice ACT

March 25, 2025 - all Juniors take the ACT

## **CHARACTER STRONG LESSONS**

- Ask your PK through 9th grade student about what he/she is learning during Character Strong lessons with the school counselor and his/her teacher! These are skills students should use both at school and at home.
  - Topics include kindness, respect, responsibility, values, how to Stop, Support and Report in cases of bullying, the Tree of Choices when handling conflict, the emotion elements...and more!

## **NEST529**

- It's never too early to begin saving for your child's college expenses!
  - Your child may be young now, but he/she will be graduating from high school before you know it.
  - While you and your child's teachers are making sure the children are ready for higher education, be sure you have done your homework as well.
  - With some planning and a bit of commitment, you can make their dreams of college a reality!
  - Visit <https://www.nest529direct.com/home.html> for information on how the NEST529 college savings plan might be a good fit for your family.
    - If you are interested in a brochure, contact Ms. Amy Hottovy at school.

## **KEEPING KIDS SAFE**

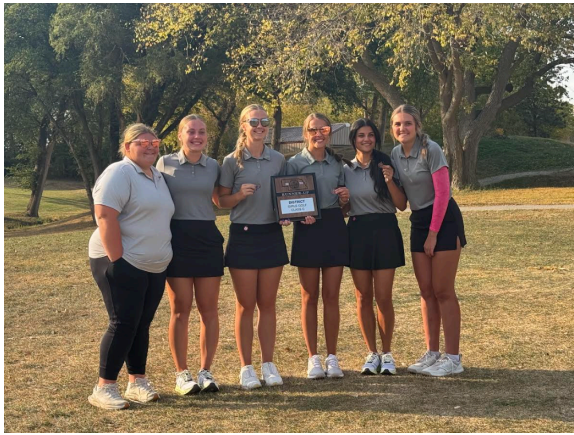

Parents and guardians, do you ever wonder how to keep up with the latest trends and dangers when it comes to cell phones, social media, screen time, or other technological devices?

Just like you would never hand the car keys over to your child and encourage him/her to speed down the interstate without any driving lessons or guidance, we should never "turn kids loose" in the world of technology without clear expectations, rules for safety, and an open door to come to you with anything they want or need to discuss.

[CommonSenseMedia.org](https://www.commonsensemedia.org) is an excellent resource for parents! You can access movie, TV, app, game, and book reviews on the website. You can also click on the "Parents Need to Know" tab to search for guidance on numerous topics by age group.

## **BULLDOG BOUTIQUE**

The Bulldog Boutique is a place where ALL Friend Public School students can find new or gently used clothing and personal items...no questions asked and free of charge! Staff members and parents/guardians are encouraged to let the school counselor know if a child is in need.

**The EMF Bobcat girls golf team finished a successful season as district runner-up and qualified the whole team for the state tournament. Girls state golf was held at Lake Maloney Golf Club in North Platte. The girls all competed well and the team finished 9th. Two individuals medaled - Abby Klooz - 11th place and Abbie Milton - 15th place. Congratulations to the Bobcats on a great season!**

### **4th Graders Attend Pioneer Day!**

**4th Graders enjoyed a fun filled field trip on October 3rd, 2024. The day included several activities, which helped students understand what life was like during pioneer times. Students started their day at Homestead National Monument in Beatrice where they learned how to dip candles, quilt, wash clothes on a washboard and spin yarn. After a quick lunch, they spent the afternoon at Filley Stone Barn watching a blacksmith and a marble maker, as well as picking and shelling corn, sawing logs and taking a horse drawn hay rack ride. Students were taught about the history of the limestone barn, which is celebrating 150 years this year. This field trip always proves to be a great extension of our social studies curriculum as we study and learn about Nebraska history and the pioneers that settled here.**

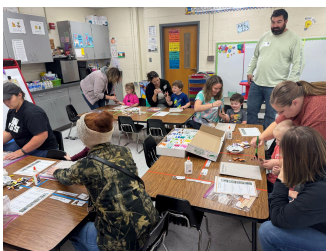

Our 3- and 4-year-old preschoolers had a fantastic time hosting Family Day on Monday, October 21st! This special event welcomed parents, grandparents, and other family members into our classroom for a fun-filled day.

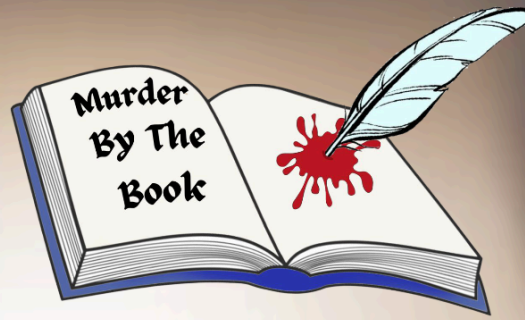

The children proudly showed their guests around, introducing them to their favorite parts of the classroom. They also delighted everyone with a charming performance of *Five Little Pumpkins*.

Following the performance, families got creative together with a *Five Little Pumpkins* craft project. It was a joy to see everyone working side-by-side, sharing ideas, and creating fun fall-themed art. The day wrapped up with a delicious snack, giving families time to connect and reflect on the morning's activities.

Events like Family Day are a great way for children to share their learning experiences and build meaningful connections between school and home. Thank you to all the families who joined us and made the day so memorable!
